

## Animal Print Stamps

An at home, fun mammal themed, craft activity for Ages 3-12 (can be modified for younger or older children). Provided by Gumbo Limbo education staff.

\*Parental Supervision/Assistance may be needed\*

1. Gather your materials: You will need sponges, a black marker or sharpie, scissors, paint, paper.
2. Have your child draw 2 paw print shapes on each of the sponges. Try to get as realistic as possible. Use the examples below, or research your favorite mammal!! \*A Turkey is not a mammal, but was still included in this craft.\*
3. Once the shapes are drawn, cut out the prints. Cut away any extra sponge, so only the print makes color when stamped.
4. Dip sponge paw prints into paint and stamp them on paper!
5. Your child now has fun animal print stamps!
