

Toilet Paper Honey Comb

An at home, fun bee themed, craft activity for Ages 3-12 (can be modified for younger or older children). Provided by Gumbo Limbo education staff.

Parental Supervision/Assistance may be needed

1. Gather your materials: You will need 5 toilet paper rolls, yellow paint, round objects (like plastic Easter eggs or kinder surprise eggs), pipe cleaners, glue, scissors, and a marker.
2. Cut the toilet paper rolls into 4s. You should have a total of 20 little circles. Paint yellow. Let dry.
3. Take eggs (or rounded shaped objects) and paint them yellow. Let dry.
4. Take the yellow toilet paper rolls and glue them together in a honey comb pattern (3 rolls, 4 rolls, 5 rolls, 4 rolls, 3 rolls). It is easier to bend and form the circles to connect to each one. Let glue dry.
5. Wrap the pipe cleaners around the eggs to look like bees. Don't forget the antenna and a stinger!
6. Glue bees in the honey comb or hang them around!
7. Your child now has a fun bee honey comb craft!
