

## Heart Raccoon Craft

An at home, fun raccoon themed, craft activity for Ages 3-12 (can be modified for younger or older children). Provided by Gumbo Limbo education staff.

\*Parental Supervision/Assistance may be needed\*

1. Gather your materials: You will need 2 colors of construction paper (black and brown are the best), scissors, googly eyes, and glue.
2. Cut two medium size black hearts, 2 small, and one skinny small heart. Then cut a big brown heart and two smaller ones.
3. Glue the black hearts onto the face facing outwards, with their points almost touching. Glue the small black hearts inside the small brown ones. These will be the raccoon's ears!
4. Add big googly eyes to the hearts.
5. Your child now has a cute raccoon craft!
