

# Noodle Dragonfly Craft

## Craft Supplies

- Penne pasta
- Popsicle sticks
- Googly eyes (or they can be drawn on)
- Paint

Step 1: Glue popsicle stick to a piece of paper or cardstock if available.

Step 2: Glue noodles to the paper, making sure they fit flat against each other at an angle. Give time to try.

Step 3: Use paint to make the wings and body bright and beautiful!

Step 4: Glue on googly eyes, or draw them on!

Step 5: Give your dragonfly an area to fly around in!
