

## Paper Plate Flower

An at home, fun plant themed, craft activity for Ages 3-6 (can be modified for younger or older children). Provided by Gumbo Limbo education staff.

\*Parental Supervision may be needed\*

1. Gather your materials: You will need a paper plate, green construction paper, paint, scissors, glue. Optional material: popsicle stick.
2. Paint the paper plate to look like a flower. Let dry.
3. Make triangle cuts every couple of inches to form "petals" for your flower.
4. Take the construction paper and cut out a stem and leaves. (Popsicle stick can be used as stem instead.)
5. Glue plate flower and leaves to stem.
6. Your child now has a colorful paper plate flower craft!
